Product Description

Intimus 60 CP7 shreds up to 5 sheets of paper in one pass at a speed of 81 pages. This high security shredder is capable of shredding paper sizes up to A4 thanks to its 235mm throat. This is something best suited to offices as most official documentation is made with paper sizes within this range, which means that documents can be shredded whole without the need to fold them.

- Fastest, highest volume small NSA Level 6/P-7 on the market
- Shreds 9 reams per hour--500 more sheets per hour than nearly all similarly sized Level 6/P-7 shredders
- Shredder of choice for the DOD and DOS for many years, with thousands deployed in government offices throughout the world
- Robust, chain-driven system with integrated automatic oiler
- 60 CP7 waste bin capacity: 60 liter
