Product Description

Does your office look untidy with coats hanging on the back of chairs? Do you simply want to keep the creases and wrinkles from your jackets? Let this help you achieve just that. This high capacity modern coat stand has a stunning chrome design so it'll look great in the corner of your office, waiting for your coats.

Each of the eight hooks have rounded ends so that they won't snag or damage your delicate linings or items. The wide 50 cm base helps to make this coat stand extremely stable so don't worry about it tipping over in a hurry. Don't have anywhere to store your umbrella? The integrated umbrella holder helps put an end to that.
