### Product Description

Looking for a way to clearly display your signs or menus in a professional way? Office Depot's floor standing display ensures that your A4 documents are plain to see. Thanks to its rotatable, plastic panel your information can be displayed vertically, tilted or flat. The height of the display is also adjustable, making it ideal for a variety of tasks and displays.

This floor standing display is made from aluminium and it features a magnetic clip-on frame, ensuring that your information is water proof and wind resistant. The weighted base adds addition support and aids in making the stand wind resistant.

The dimensions of the outer display are 32.6 x 24 cm (w x d) and the overall height can be adjusted between 76 cm up to 115 cm.
