

Fellowes Archive Box Brown 80mm

- Folio-sized archive box made of fine quality microwave cardboard.
- Due to its dimensions, it is also suitable for storing computer output format 279 x 241 mm.
- Easy to assemble with special bottom closure.
- This archive box remains in shape throughout the archiving period due to the glued sides.
- The microwave board is made of FSC® certified material and is recyclable after the archiving period has expired.
- The archive box meets all environmental and sustainability requirements as laid down in criteria drawn up by NL Agency, part of the Ministry of Housing, Spatial Planning and the Environment.
- None of the raw materials used contain harmful substances.
- With OFFI Label certificate number OL50725043.
