Product Description

With this high-quality Office Depot laser photo paper, you will print high-quality photos in your office or at home and save your time as well as money. Thanks to their glossy finish each of the A4 format sheets will ensure your printouts with vibrant colours and make the printed images look sharper and crisper, thus this paper is perfect to print photos taken outdoor and in nature.

The white 200 g/m² grammage Office Depot photo paper is designed to be used with laser printers, while its FSC certification shows that it was produced in an environmentally friendly way. It comes in reams of 250 sheets each to provide you with the possibility of printing out all of your most important holiday, birthday or anniversary memories.
