Product Description

Is your office a mess? Is there paper and empty wrappers strewn around? Then invest in this trustworthy and durable Ecobin waste bin from Exacompta, that has just the answer with this office essential that can hold up to 15 litres. The classic black colour ensures that this bin will fit effortlessly in any décor whether it's in at work or at home.

The polypropylene material means that this small and compact waste bin is hardwearing and durable when you need it most. The two grip handles on either side make transportation easy. Do you have to carry the bin across the office to empty it? Not a problem with Exacompta.
