### Product Description

Capture your audience's attention better than ever before with the help of this outstanding flipchart easel from Office Depot. Do you have to travel from meeting room to meeting room or even to different locations and packing up regular flipcharts makes life difficult? Well thanks to the folding legs, transportation has never been easier.

If you've forgotten to bring along a flipchart pad to the meeting, don't worry as you can use it without paper. Just don't forget your magnets. Thanks to the two magnetic extension bars, this Office Depot flipchart easel can hold up to 3 sheets of paper at one time while the adjustable pad hooks allows for a versatile lift up clamp.
