Product Description

Your office speaks a lot about you and your organization. Make your impression stick in the minds of your customers and visitors by keeping your office neat and managed with this wall unit from Office Depot. Capable of storing up to 1000 A4 sheets, this wall unit is made of mesh which lets you see the documents kept in it without having to remove them from their place.

Its sleek and light weight size makes it easy to be mounted on the wall. Make a bold and powerful statement with this efficient Office Depot wall unit. Stow away those unkempt documents on your office table into a neat pile and get not only your space cleared up but also your mind.
