Product Description

This fantastic stand is not only durable but can also hold a substantial amount so you don't worry about your screen being too much for it. Do you get neck ache or pain in shoulders from looking down at your screen or at an angle at it? Well now you can take those aches and pains away with the help of this Office Depot monitor stand. Simply adjust the settings so this stand can sit between 50 and 110 mm, giving you the best viewing angle possible.

Say goodbye to clutter on your desk with the help of this monitor stand. For ultimate work space on your desk, this Office Depot monitor stand comes with a small area for you to put your pens, sticky notes or paper clips. Product measures 110 mm in height, 430 in width and 330 in depth.
