Product Description

With 250 Office Depot document enclosed envelopes per pack, you don't have to worry about running out any time soon. These envelopes are ideal for enclosing documents in a DL format before a package is sent through freight. The envelopes protect your documents from tears, dust and moisture. These Office Depot envelopes come in a 220 x 110 mm (h x w) size to help you store even bigger sized documents.

These Office Depot envelopes are time saving thanks to their easy to use 3 step application process. Simply put the packaging list or invoice into the envelope, peel off the preserving backing and press it against the carton and you're good to go. Managing your posts couldn't get easier with these document enclosed transparent envelopes from Office Depot.
