

## Uni Ball Signo Gel Pen 0.7mm with Click

- UMN-105 Retractable Gel Ink Rollerball Pen from Uni-Ball.
- With its specialised gel ink, rubberised comfort grip, and stainless steel tip, the Signo Gel range combines a superbly smooth writing experience with Uni's renowned reliability.
- Uni's high quality "Super Ink" is not only water and light resistant, but also "Tamper-Resistant", meaning that the ink can not be washed off using chemicals and solutions used by people to fraudulently modify documents.

Code: 11099
