

# Office Depot Footrest Height Adjustable

Being behind a screen all day requires a comfortable setting arrangement with the necessary equipment to make this happen. A footrest to improve circulation is a great addition. The adjustable height and angle guarantees maximum comfort, and with stability is achieved with non-slip feet. Ranging from 0 to 30 degrees, the angle adjustment will suit your sitting position, no matter what time of the day. Height: 11 cm - 14 cm - 17 cm. Keep in mind this footrest has a bearing capacity of 20kg. Code: 25118
