

Office Depot Guillotine A4 330 mm 10 Sheets

The Office Depot guillotine is made from a high quality metal that helps cut your paper with precision and perfection. The accompanying scale bar has measurements marked in inches, centimeters and DIN so that you cut the right size every time.

The Office Depot guillotine comes in a compact size that lets you fit it comfortably on your office desktop. It has a transparent safety guard that takes care of your hands when you cut paper. This amazing guillotine can cut up to 10 sheets of paper of A4 format in one go which makes it a wise choice for your office stationery supply.
