

Leitz iLAM Touch 2 A3 Laminator

The Leitz A3 iLam Touch 2 Laminator has a warm up time of just 1 minute and an approximate speed of 25 seconds to laminate a 160-micron A4 pouch. With an easy feed system and the option to laminate up to 500-micron pouches, this machine can really do it all! The Touch 2 laminator is a fully automatic, high speed machine for professional intensive use. This laminator features auto-reverse function to prevent jamming and automatic shut off after 30 minutes of inactivity. The laminator has unique smart sensor technology installed that recognises the thickness of the document and selects the best laminating speed. A free pack of pouches is included.
